Charles: On behalf of Haig Point Club and Community Association, we join in Ms. Evans' Request. I would like to modify it slightly, by asking that all dates be put off for two weeks instead of just one. I believe that this flexibility will be necessary for us to work through the various issues, and will help all parties to resolve as many disputes as possible before the hearing in this proceeding.

Very best regards,

John

Charles- I hope this email finds you well. I represent Haig Point, Inc. and Haig Point Utility Company, Inc. in the above-referenced petition before the PSC. Peter Strauss represents CK Materials, the joint petitioner. John Beach represents the homeowners' association, which petitioned to intervene. Nanette is ORS counsel. The first pre-file deadline is March 13. However, the parties have agreed to hold an informal "mediation" of the issues on March 13, in an attempt to resolve any outstanding matters. Therefore, on behalf of my client, I would like to request a one week extension of the previously set filing deadlines. It is my understanding all parties are in agreement as to this extension.

I apologize for not efilng this request, but I am in the process of joining a new firm (this is a week off for me). My computer is not in yet and my old firm has not couriered over the file yet. In fact, this is a temporary email. I hope that this email will suffice, but please let me know if it is otherwise.

Thanks.
